Entry	Printed Name	Reason or Description	Tamper Evident Bag or Serial Number	Date	Time	Signature	Witness Initials
1	Bill Woodcock, Security Controller 1. Witnessed by Peter Rowland.	Placed this log, consisting of 8 numbered rows and 2 pages, in the Pelican 1490 briefcase, property tag #1508.	None.	Friday, September 30, 2016			
2	Bill Woodcock, Security Controller 1. Witnessed by Peter Rowland.	Placed KSK-HSM-02-SIN in briefcase for carriage to Singapore, to replace KSK-HSM-01-SIN, serial K1011055, which is being rotated out for routine hardware servicing by the manufacturer. Power supply, power cable, and copy of Conveyance Letter placed in case as well. TEB matches that shown in log of step #118, key ceremony #15. No tampering is evident. Briefcase is locked and key is secured in TEB BB71705274 by Bill Woodcock at the end of this step.	A4128466 H1411033	Friday, September 30, 2016
